WEEKLY REPUBLICAN-1907.
DAILY PUBLIC LEDGER-1909.

MAYSVILLE, KY., FRIDAY, NOVEMBER 10, 1905.

THE LEDGER delights in obliging its friends. It prints "Help Wanted," "Situations Wanted," "Lost" and "Found" notices free of charge; and as it costs you nothing for such service, don't you think it is as little as you can do to write the copy and either bring or send it to the office?

If you have an item of news, please call up The Ledger, Telephone 93, and let us have it.

The official count of the ballots cast in the election Tuesday began this morning, the returns being canvassed by the County Board of Election Commissioners.

The manner in which Dr. H. K. Adamson was treated by two of his trusted and bosom friends in his recent canvass for a place on the Board of Education was shameful, to say the least.

We are showing a fine line of Diamonds, some of the very newest settings. Our \$5 Diamond Ring is a beautiful cut stone as nicely cut as the \$100 Diamond. Beautifully mounted, this ring sells every where for \$10, our price \$5. Other Diamonds sold in same proportion.

MURPHY, the Jeweler.

Mr. Fred Weber has returned to his home near Mayslick from a Cincinnati hospital where he had undergone a delicate surgical operation. While using a batchet several weeks ago a splinter from it flew into his eye. Local physicians failing to remove it the pain became so great he went to Cincinnati for treatment and had the particle removed.

Prof. J. Arthur Mitchell, late Principal of the Plum Street Public School here and now Superintendent of the Bardwell Graded and High School, writes to a friend here as follows: "I have pleasant work here. Nearly all of the pupils in my room are grown. I have five assistants—four ladies and one gentleman. Our work is moving nicely, and I am told that every one is well pleased. Our town has about 2,000 people. They are pleasant and sociable and all of our neighbors are fine. Mrs. Mitchell and I are well pleased," &c.

There is no question as to the capability of brothers Ed. Myall and George H. Frank running a Christian Convention successfully; their ability in that direction was fully demonstrated a few weeks ago. But politics and religion are dissimilar in every respect and conducted on divergent lines. A good Christian is a failure as a politician and a successful politician is up in the clouds when he essays a religious role. Both gentlemen have awakened to the fact that politics is one thing and conducting a Sunday-school another. They are now convinced they were born for something other than a politician.

MRS. ELLEN DOWNS.

FRAUD RIDDEN LOUISVILLE

Rascally Methods of the Gang Will Be Fully Investigated

The managers of the Fusion party announce that they have decided to contest in the Courts the election of the Democratic ticket for municipal offices and members of the Legislature in Louisville.

It is alleged that in 14 precincts no election was held at all, owing to the disappearance of the election paraphernalia.

In 14 additional precincts the ballot-boxes were confiscated by Democratic workers before the returns were certified to, thus allowing the results to be falsified.

Finally that in a large number of other precincts gangs of armed thugs and repeaters, abetted in some instances by the police, cast many fraudulent ballots, besides preventing lawful voting.

WELL, how are you, Judge STAIRS?

It's all over now, except the shouting—and some of the settling.

PLEASE observe that the "Bosses" ticket polled the smallest Republican vote that has been cast in Mason county within twenty years.

TUESDAY was a rather bad day for political Bosses—from Philadelphia via Maysville to Cincinnati;—but there stands Louisville!

JIMMY OUTTEN, the newly elected City Clerk, got more votes than both his competitors; and he says he could have beaten six just as easily as he beat two.

THERE is such a thing as a fellow's hat growing too small when he gets into a 4 x 2 1/2 office; and it is hoped that no such misfortune will overtake any of the clever fellows just elected in this city.

WHAT a pity the Blue Ticketers didn't propose to donate their entire salaries to Charity; that would have put the White Ticketers "on the run"—if it were possible for them to run any faster than they did.

THE Government has taken steps to prevent the importation into this country of egg yolks mixed with borax, a product coming from China and used, it is said, by wholesale bakers when American eggs are high; and so we have not reached the henless egg, or the eggless—or where are we at?

The W. D. Manley Farm of 255 acres near Needmore at \$45 per acre.

The farm known as the John Collins Farm, 2 1/2 miles from Sardis and 9 miles from Mayslick; contains 175 acres; well improved; plenty of good tobacco land. Price \$45 per acre.

Farm of 93 acres on Jersey Ridge pike. Price \$60 per acre.

The John N. Owens Farm of 193 acres near Lewisburg, Mason county, Ky. Will divide if purchaser desires.

Farm of 55 acres one mile from Rectorville. Price \$1,200. Fairly good improvements.

REAL ESTATE DEALER

HAVING corralled a million or so in the "Boss" business, it is probable that the late GEORGE B. COX of Cincinnati may be able to pull through the coming winter without being forced to hunt another job.

Your Uncle Samuel is mad. The State Department, after a conference with the naval officials and communication by cable with Consul General LAY at Canton, China, has arranged that that official shall accompany the Viceroy of Canton on a Chinese gunboat to Lienchow, about 300 miles up the West river, to investigate the massacre of the five Presbyterian Missionaries at that place.

UPON the outcome of Poland's fight for liberty depends the exodus from Chicago of more than 25,000 Polish residents. Chicago's entire Northwest side is aflame with sentiment of repatriation. The Poles who are leading the movement for the return to their native land declare that upon the granting of complete liberty and the restoration of calm 25,000 Poles will leave Chicago within ten months and that 25,000 more will follow within twenty months. If I lived in Chicago I would hire a corps of good prayers to pray for Poland's freedom.

SPEAKING of the overwhelming defeat of Boss Rule in Cincinnati, The Times-Star says—

"It means that the Republicans must adopt a liberal and fair method of nomination for officers—a method which will express the opinion of the voters in the party ranks."

By the same token, the reduced vote and the signal defeat of the Boss ticket in Mason county mean that the Republicans of this city and county will no longer indorse nominations dictated by any single individual and ratified by a few dozen persons gathered from the street corners and the lazy seats of the Esplanade at so much per head. They, too, will hereafter insist on "nominations made by a method which will express the opinion of the voters in the party ranks."

A FOOLISH PLAN

It's a joy to eat—I welcome my dinner hour; Because I root indigestion with August Flower!

Constipation is the result of indigestion, biliousness, flatulency, loss of appetite, self-poisoning, anemia, emaciation, uric acid, neuralgia in various parts of the system, catarrhal inflammation of the intestinal canal and numerous other ailments that rob life of its pleasures if they do not finally rob you of life itself.

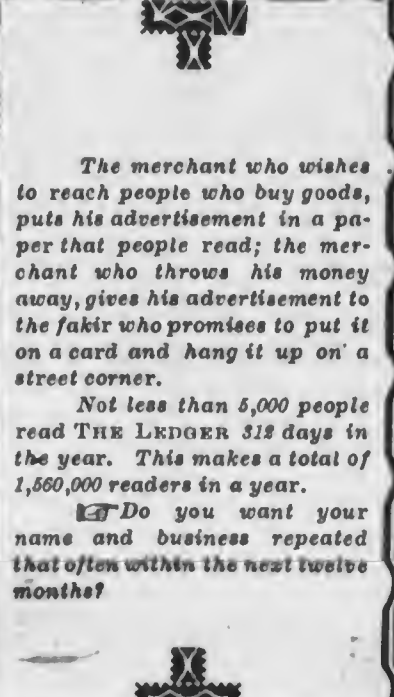

"I'm bound in the bowels," is a common expression of people who look miserable and are miserable—yet who persist in "letting nature take its course."

What a foolish plan, when nature could be aided by the use of Green's August Flower, which is nature's own remedy for constipation and all stomach ills.

August Flower gives new life to the liver and insures healthy stools.

Do you want your name and business repeated that often within the next twelve months?

MISTAKES....

Are frequently far reaching, and universally so when one buys any article other than the very best in the way of supplies for the table. The country is full of stale, inferior and poisonous stuff, which is every day being palmed off on an unsuspecting public for good and wholesome foods. Because of this the straightforwad, honorable and conscientious dealers throughout the country are united in an effort to induce Congress to pass a universal pure food law, which will prohibit the manufacture and sale of impure and poisonous foods, such as are now being sold by unscrupulous dealers, and consequently drive out of business all the "cheap john" concerns that deal only in such stuff. I began business in Maysville over twenty-five years ago determined to only handle the best, act honorably with my customers and never misrepresent anything to make a sale. Whatever of success I have had with you I attribute to at all times standing by that determination. My experience of more than forty years in the business has qualified me to know the good from the bad when making my purchases, and has also satisfied me the true road, to success is to deal fairly and honorably with the public, sell the best goods at fair prices and never practice deception to make a sale.

I am now getting in my larger purchases for the fall and winter trade and I do not hesitate to say that when all in and opened up I shall have the largest, cleanest, most varied stock of high grade goods ever offered in our city. My stock of Canned Goods and Fancy Groceries of all kinds will be immense, bought at the lowest prices any jobber can buy them, very much lower than such goods can be bought at today, consequently I shall be prepared to meet any and all competition. My special brands of Red Canvas Hams and Breakfast Bacon and fine Leaf Lard are becoming more popular each day with those who only want the very best.

Perfection Flour is the leading flour and the sales are increasing rapidly because it has been proved to be the best and purest sold in this market; always reliable. I don't have to be continuously changing to find something better. It is truly what the word implies—Perfection.

In the blended Coffees I have the run, because I sell only the best at reasonable prices, always fresh, still going at 15c, 20c and 25c. I want every person to visit my store, and a special invitation is extended to country people when in our city to make my house their headquarters. You are always welcome, and it will be the old-fashioned Kentucky kind. I pay cash for Butter, Eggs, Poultry and Country Produce such as I need in my trade, but will only buy the very best. If I please you I want you to be sure and tell all your neighbors and friends. If anything wrong, come direct to me and don't mention it to any one else; I make everything right.

"For months I had great trouble with my stomach and used all kinds of medicines. My tongue has been actually as green as grass, my breath having a bad odor. I therefore feel you know that I shall recommend them to any one suffering from such troubles." Chas. H. Halpern, 114 E. 7th St., New York, N. Y.

STOP! WOMEN,

AND CONSIDER THE ALL-IMPORTANT FACT

That in addressing Mrs. Pinkham you are confiding your private life to a woman—a woman whose experience with woman's diseases covers a great many years. You can talk freely to a woman when it is revolting to relate your private troubles to a man—besides a man does not understand—simply because he is a man.

Many women suffer in silence and drift along from bad to worse, knowing full well that they ought to have immediate assistance, but a natural modesty impels them to shrink from exposing themselves to the questions and probably examinations of even their family physician. It is unnecessary. Without money or price you can consult a woman whose knowledge from actual experience is great.

Mrs. Pinkham's Standing Invitation:

Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham at Lynn, Mass. All letters are received, opened, read and answered by women only. A woman can freely talk of her private illness to a woman; thus has been established the eternal confidence between Mrs. Pinkham and the women of America which has never been broken. Out of the vast volume of experience which she has to draw from, it is more than possible that she has gained the very knowledge that will help your case. She asks nothing in return except your good-will, and her advice has relieved thousands. Surely any woman, rich or poor, is very foolish if she does not take advantage of this generous offer of assistance. — Lydia E. Pinkham Medicine Co., Lynn, Mass.

Following we publish two letters from a woman who accepted this invitation. Note the result.

First letter.

"Dear Mrs. Pinkham:—

"For eight years I have suffered something terrible every month with my periods. The pains are excruciating and I can hardly stand them. My doctor says I have ovarian and womb trouble, and I must go through an operation if I want to get well. I do not want to submit to it if I can possibly help it. Please tell me what to do. I hope you can relieve me."—Mrs. Mary Dimmick, 50th and E. Capitol Sts., Benning P. O., Washington, D. C.

Second letter.

"Dear Mrs. Pinkham:—

"After following carefully your advice, and taking Lydia E. Pinkham's Vegetable Compound, I am very anxious to send you my testimonial, that others may know their value and what you have done for me.

"As you know, I wrote you that my doctor said I must have an operation or I could not live. I then wrote you, telling you my ailments. I followed your advice and am entirely well. I can walk miles without an ache or a pain, and I owe my life to you and to Lydia E. Pinkham's Vegetable Compound. I wish every suffering woman would read this testimonial and realize the value of writing to you and your remedy."—Mrs. Mary Dimmick, 50th and E. Capitol Streets, Benning P. O., Washington, D. C.

When a medicine has been successful in restoring to health so many women whose testimony is so unquestionable, you cannot well say, without trying it, "I do not believe it will help me." If you are ill, don't hesitate to get a bottle of Lydia E. Pinkham's Vegetable Compound at once, and write Mrs. Pinkham, Lynn, Mass., for special advice—it is free and always helpful.

ECZEMA ON LITTLE GIRL

Sleepless Nights for Mother
and Awful Suffering
of Child.

CURED BY CUTICURA

Had Given up All Hope of Ever
Making Any Cure.

Mrs. I. B. Jones, Addington, Ind.
T., writes: "My little girl had been
suffering for two years from eczema,
and during that time I could not
get a night's sleep, as her ailment
was very severe. I had tried so many
remedies and spent so much money,
deriving no benefit, I had given up
all hope of making any cure. As a last
resort I was persuaded to try Cuticura,
and to my great delight a marked
change was manifested from the first
application. I gave the child a bath
with Cuticura Soap, using a soft piece
of muslin cloth. This I did twice a
day, each time following with Cuti-
cure Ointment, and at the same
time gave the Resolvent, according to
directions. One box of Ointment
and two bottles of the Resolvent, to-
gether with the Soap, effected a per-
manent cure. I submit this for pub-
lication, hoping it will assist other
sufferers in curing themselves."

COMPLETE TREATMENT
Consisting of Cuticura Soap
Ointment and Pills.

The first step in the treatment of
chronic Eczema is to remove the
scales and crusts and soften the skin,
by warm baths with Cuticura Soap.
Dry carefully and apply Cuticura
Ointment, lightly at first, and where
advisable spread it on pieces of soft
cloth and bind in place. Take the
Resolvent Pills, or liquid, in medium
doses. Do not use cold water in bath-
ing, and avoid cold, raw winds.

Sold throughout the world. Cuticura Resolvent, 50¢.
in form of Chocolate Coated Pills, 25¢ per vial of 50.
In bottles, 25¢, Soap, 25¢. Cuticura Ointment, 50¢.
Bottle, 50¢. Price 40¢ sent for "How to Cure Eczema."
